The EDUCATIONAL ADMINISTRATIVE AND PROFESSIONAL STAFF COUNCIL (EAPSC) is the recognized organization of all administrators and professional staff members of the Cleveland Heights-University Heights School District. The BOARD OF EDUCATION recognized the EAPSC (formerly, the Educational Administrative Council or “EAC”) as the administrative organization on August 10, 1970 through the approval of the Memorandum of Understanding:

The EAPSC is the organization representing all Executive Directors, Directors, Principals, Assistant Principals, Coordinators and Supervisors, both certificated / licensed and classified, with the exception of the Superintendent, Assistant Superintendents, Treasurer, Assistant Treasurer, Supervisor of Payroll, Director of Business and Operations, Financial Specialist, , and Human Resources Specialist.

Professional Responsibilities:

1. Members of the bargaining unit have the authority to effect and are accountable for the school environment, staff and program improvement. They are also responsible for following established procedures for evaluation of staff.
2. Members of the bargaining unit assume responsibility as a group for maintaining and improving professionalism in their own rank.
3. Members of the bargaining unit accept a leadership role in the community in the educational field.
4. Selection of staff and designation of duties is a team responsibility. The Assistant Superintendent of HR and Operations will secure candidates for building principals and other personnel as necessary.
5. The Human Resources Department will post all new positions internally for 5 days concurrently with an external posting. This can be waived by either side in an emergency situation.
6. Recognizing that members of the bargaining unit are the fundamental link between the Superintendent and other Board of Education employees and that the relevance and effectiveness of the member’s role in the school system may be altered by negotiations, the EAPSC will serve as consultants to the Board’s Team during negotiations as called upon.
7. The Human Resources Department will send electronically the Agreement for distribution to the Bargaining Unit Members and the format of the publication shall be determined in conference with the EAPSC President and/or his/her designee.
8. Direct communication between the Superintendent and EAPSC member(s) will always be available upon the request of either party. If questions or concerns cannot be resolved to the satisfaction of both parties, a hearing with the Board may be requested.
9. An administrative ombudsman, appointed by the EAPSC President will be available to represent all administrators & professional staff members during all fact-findings.

1.00.0 LEAVE OF ABSENCE

For any leave of one-half (1/2) day or more, the Bargaining Unit Member is responsible to report his/her absence and reason for absence in AESOP – the Automated Employee Absence & Substitute Management System, and notify his/her immediate supervisor.

1.01.0 ADOPTION LEAVE

1.01.1 Sick leave to a maximum of thirty (30) days may be used upon the adoption of a child immediately after the adoption occurs, provided that only one (1) spouse employed by the Board shall be granted such leave. Prior notice should be given as early as possible. If extenuating circumstances are presented in writing to the Assistant Superintendent of HR and Operations, a maximum of thirty (30) additional days may be granted at the discretion of the Administration.

1.01.2 Leave without pay shall be granted to a male or female member who becomes the parent of a child by adoption. Such leave shall begin any time within thirty-one (31) working days after the adopted child becomes a resident of the household and only if the adopted child is under the age of five (5) on the date the adopted child becomes a resident of the household. The member may select one of the following options:

1. The leave may be granted for a maximum of three (3) months or until the end of the current semester whichever the member prefers. This leave option will not terminate the member's present contract as an administrator or professional staff member. This leave will be on condition that the member receives credit on the salary schedule and credit toward tenure during the leave. Employment in the former assignment upon return from leave is assured.
2. The leave of more than three (3) months will continue until the end of the school year in which it is granted. This leave option will terminate the member's present contract as an administrator or professional staff member. An additional two (2) leaves will, upon request, be granted each for an additional full school year. The granting of such extended leave will be on the condition that the member not receive credit on the salary schedule or credit toward tenure during the extended leave. Employment upon return from this leave is assured, but not necessarily in the member's former assignment.

1.01.3 Bargaining unit members requesting either option waive the obligation of the Board to contribute to the State Teachers Retirement System (STRS) or State Employment Retirement System (SERS). The Bargaining Unit Member may continue to purchase retirement benefits for any leave for which the STRS or SERS will allow.

1.02.2 No additional payment shall be made or required for any period during which the employee elects to take sick leave.

In addition, an employee receiving assault leave must agree to provide written and/or verbal testimony to assist the Board and the administration as necessary to ensure appropriate disciplinary action is taken against the attacker. Falsification of either a signed statement, assault leave form, or a physician's certificate is grounds for disciplinary action up to and including termination. (See Appendix for form.)

Board payment for assault leave shall be discontinued as of the date of the STRS/SERS board decision as to whether the employee is eligible for disability benefits or is otherwise eligible for STRS/SERS benefits for age or for retirement. An employee who has not been granted STRS/SERS disability benefits will be expected to return to work or, if the employee presents appropriate medical documentation, may continue on an unpaid medical leave pursuant to the provisions of section 1.13.0 of this Negotiated Agreement. In all other respects not covered by this section, the provisions of O.R.C. §3319.143 shall apply. 1.06.4 Bargaining unit members requesting either option, beyond the time period specified in section 1.06.2, waive the obligation of the Board to contribute to the State Teachers Retirement System (STRS) or State Employees Retirement System (SERS). The Bargaining Unit Member may continue to purchase retirement benefits for any leave for which the STRS or SERS will allow.

Such leave will be granted only after a minimum of ten (10) years of service in the school system. This leave will terminate the member's present contract as an administrator or professional staff member. The Bargaining Unit Members may continue to purchase retirement benefits for any leave for which the STRS and SERS will allow.

For purposes of this Section, "12-month period" is defined as the "12-month period measured forward from the date the employee's first FMLA leave begins" (i.e. the leave year is specific to each employee). The member is entitled to twelve (12) weeks of leave during the 12-month period beginning on the first date FMLA leave is taken.
